1. POLICY OBJECTIVES

CHSLSC is committed to improving member performance in surf sports at a Regional, State & National level. The club invests substantially in surf sports through coaching, subsidising carnival fees and providing equipment. If members are willing to meet certain conditions, the Club will further assist members in pursuit of their Surf Sports goals. This policy is designed to ensure that the club's surf sports activities are conducted in a professional and safe manner within SLSA, SLSNSW, North Coast Branch and Club guidelines.

The overriding objective of the club's participation in surf sport's activity is to encourage member development and to improve the club's performance in its core activity of patrolling the beach.

2. RELATIONSHIP WITH OTHER CLUB POLICY:

The Surf Sports Competition & Training Policy works in conjunction with the Clubs;

- a. *Equipment Use and Assistance Policy;*
- b. *Team Selection Policy;*

3. CLUB MEMBER RESPONSIBILITIES

- a. During the period nominated in each year by the Surf and Beach committee, the Member must attend an average of at least two training sessions organised by the club in each week.
- b. If a training session is cancelled by the club due to weather or unfavorable conditions, this will not count as a missed training session.
- c. At each training session attended, the member must complete the program for that session, as allocated by the club coach.
- d. Members must demonstrate a positive and cooperative attitude to completing scheduled training sessions.
- e. Members may only leave a training session prior to the scheduled completion time, after first obtaining the coach's permission,

- f. Members must comply with any safety directive communicated by the coach, water safety personnel or risk assessment officer prior to or during a training session.
- g. Members must wear all personal protective clothing or equipment which the Surf and Beach Committee has directed the club's members to wear.
- h. During competition, Members must only wear clothing or equipment approved by the Surf and Beach committee.
- i. Unless granted the use of club owned equipment under the *Equipment Use and Assistance Policy*, members must provide their own craft when participating in competition or club training sessions.

4. **COACHES RESPONSIBILITIES**

- a. To promote and encourage individual member skill development.
- b. To promote and encourage an inclusive environment at all training sessions.
- c. To provide training programs suited to members at all ages and skill level.
- d. To ensure member safety through proper risk assessment before, during and after each session.

5. **ELIGIBILITY TO ATTEND CLUB TRAINING**

- a. Any member of the club is eligible to attend all organised club training sessions, provided that he or she;
 - i. is a current financial member of the club; and
 - ii. has met the required proficiency applicable to the member's age group and craft to be used.
- b. members of other SLSA clubs may attend club training after first obtaining the approval of the surf sports manager.
- c. any junior member (nippers) attending training must be accompanied by their parent or guardian for the whole of the training session. A parent's failure to remain in close proximity to the training location may render the junior member ineligible to further participate in that session.
